THE URBAN MUSIC FESTIVAL PROUDLY SUPPORTS LOCAL TALENT

SPIRIT GROOVE is Austin's premier live arts experience, powered by a Christian worldview, set within a non-church atmosphere. Spirit Groove is a fusion of music, spoken word, drama, dance and the word of God and offers Christians exceptional entertainment and pre-Christians an authentic view of Christ.

ALL U NEED provides a unique, full sound, which is electrifying and soulful. They help abolish the lines between musical genres, borrowing from all styles of music without regard to convention. They deliver powerful performances that guide you through music's past and present.

HA-STYLE does what most hip hop artists are afraid to do; speak on what they feel. He is an artist of rebellion, determination, and change. His lyrics contain the heart of the go-getters and the self-doubters. Humility, perseverance, and change is what his listeners feel when they hear Ha-Style's passionate lyrics.
